

# That's All!

## The Apex Theory

It's been close to a year since we spoke last  
You haven't changed and now you're talking into my right ear  
What happened when you ran off  
With that friend of yours, or was she useful? Tossing around bah ra koontzae, vroom vroom then be silent  
Sit around bah ra koontzae, vroom vroom then be silent  
Tossing around bah ra koontzae, vroom vroom then be silent  
Sit around bah ra koontzae, vroom vroom Bet on your life you can't, remember when the clouds  
Sang out that soft chant, the one you thought you had  
And the one you thought was yours  
Now you've come to a door, to adore Tossing around bah ra koontzae, vroom vroom then be silent  
I sit around bah ra koontzae, vroom vroom then be silent  
Tossing around bah ra koontzae, vroom vroom then be silent  
I sit around bah ra koontzae, vroom vroom then be silent Panic under pressure cooker  
Thoughts lead me dying sooner  
Rough mouth fits, makes you calm  
You thought all the while you were smarter By the way be sure to write  
The last thing makes it alright Tossing around bah ra koontzae, vroom vroom then be silent  
Sit around bah ra koontzae, vroom vroom then be silent  
Tossing around bah ra koontzae, vroom vroom then be silent  
Sit around bah ra koontzae, vroom vroom then be silent  
Then be silent, then be silent, then be silent, then be Panic under pressure cooker  
Thoughts lead me dying sooner  
Rough mouth fits makes you calm  
You thought all the while Panic under pressure cooker  
Thoughts lead me dying sooner  
Rough mouth fits makes you calm  
You thought all the while, you were smarter
