

Drowning by Numbers

Placebo

Open up your heart, let me slip inside.

Such determination always tries to turn the tide.

Open up your arms, let me dive into the big, big blue. Try losing this chromosome, It's my choosing down to the bone

Open up your heart, let me slip inside.

Such imagination always helps the feeling slide.

Open up your soul, folding back into, the big, big blue. Try losing this chromosome, It's my choosing down to the bone.

Blood(dive in)

Blood(drowning)

Blood(dive in)

Blood(drowning)

Blood(dive in)

Blood(drowning)

Blood(dive in)

Blood Open up your heart let me slip inside.

Auto Flagellation always helps the ghost to hide.

Open up your arms let me dive into the, big, big blue.
