Lazaretto

Jack White

My veins are blue and connected
And every single bone in my brain is electric
But I dig ditches like the best of 'em
Yo trabajo duro
Como en madera y eso

Como en madera y esoAnd even God herself has fewer plans than me But she never helps me out with my scams for free, though She grabs a stick and then she pokes it at me

When I say nothing, I say everything

Yeah when I say nothing, I say everythingThey put me down in a lazaretto Born rotten, bored rotten

Making models of people I used to know

Out of coffee and cotton

And all of my illegitimate kids have begotten

Thrown down to the wolves, made feral for nothing

Quarantined on the Isle Of Man

And I'm trying to escape any way that I can, oh

Any way that I can, ohI have no time left

Time is lost

No time at all, throw it in a garbage can

And I shake God's hand

I jump up and let her know when I can
This is how I'm gonna do itThey wanna blow down the prison

They're lighting fires with the cash of the masses

And like the dough I don't fall down

I'm so Detroit I make it rise from the ashes
