

Go

Building 429

I'm listening and all, to whispers still and small
Would I come when you call, and get up and go?
What would I even do if I heard from you?

I'm ready to move
I believe that you see
Me in your hands and feet
I'm picking up my cross
I'm gonna walk and talk
Cause Lord I finally know If You say go

Oh

OhOh

Oh

Oh

Oh

I'll never say no

OhOh

Oh

Oh

Oh

Never say, never say, never say no

I'll get up and gooooo

I'll get up and I'll gooo

I'll get up and I'll go

So stop me in my tracks

Don't let me get attached to things that never last

Cause I want more To see the Kingdom come

and hear You say well done

Cause Lord I finally know

If you say go

Oh

I'll never say no

Oh

Oh

Oh

Oh

Oh

Never say, never say, never say no

I'll get up and gooooo

I'll get up and I'll gooo

I'll get up and I'll go

(Go) to the lost and the hopeless

(Go) Through the doors You have opened

(Go) Speak the words You have spoken

(Go) That the world may know

(Go) to the lost and the hopeless

(Go) Through the doors You have opened

(Go) Speak the words You have spoken

That the world may know

That the world may know

I will go

That the world may know

I will go

Oh

I'll never say no

Oh

Oh

Oh

Oh

Oh

Never say, never say, never say no

I'll get up and gooooo

I'll get up and I'll gooo

I will get up and I'll go
