

# Darn That Dream

[Billie Holiday](#)

Darn that dream, I dream each night  
You say you love me and hold me tight  
But when I awake, you're out of sight  
Oh, darn that dreamDarn your lips and darn your eyes  
They lift me high above the moonlit skies  
Then I tumble out of paradise  
Oh, darn that dreamDarn that one track mind of mine  
It can't understand that you don't care  
Just to change the mood I'm in  
I'd welcome a nice old nightmareDarn that dream and bless it too  
Without that dream, I never would have you  
But it haunts me and it won't come true  
Oh, darn that dreamDarn that dream, I dream each night  
You say you love me and hold me tight  
But when I awake, you're out of sight  
Oh, darn that dreamDarn your lips and darn your eyes  
They lift me high above a moonlit sky  
Then I tumble out of paradise  
Oh, darn that dreamDarn that one track mind of mine  
It can't understand that you don't care  
But just to change the mood I'm in  
I'd welcome a nice old nightmareDarn that dream and bless it too  
Without that dream, I never would have you  
But it haunts me and it won't come true  
Oh, darn that dream
