

Chasing Rainbows

Stoney Clove Lane

They drag me underground
The lights are slowly fading
The world I thought I knew
 I never knew at all
The dead don't make a sound
Unless you're chasing rainbows
And then they scream your name
 Clawing at the gates
 So pull me out
 And hold me down
 Let's find a way
 To lose ourselves
 Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
 Waiting for a chance to
 Sink my teeth into
 Another desperation
 Now into your room in
 Paradise!
Are we just dreaming
In the city that never sleeps?
'Cause I can't be seeing
 What my eyes tell me
 Am I just dreaming?
This can't be in my veins
 Everything I ever knew
 Will never be the same
So chew me up, and spit me out
Let's find a way to save ourselves
 So pull me out
 And hold me down
 Let's find a way

 To lose ourselves
 Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
 Waiting for a chance to

Sink my teeth into
Another desperation
Now into your room in
Paradise!
And now I feel it.
Yeah, I feel it in my blood!
I can't fight this anymore
I've given up!
I've given up!
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to
Sink my teeth into
Another desperation
Now into your room in
PARADISE!
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to
Sink my teeth into
Another desperation
Now into your room in
Paradise!
Yeah!
