

# Trying Times

## IDMC

V1

Nobody said this would be easy

Living your life just like Christ

Being attacked from left to right

Don't worry God is on our sideRISE 1

These are the last days, and man has become evil (oh oh oh)

We must abide under shadow of the almightyV2

Man has turned to many other gods

Being a Christian's like a swear word

But we must hold on to the truth

We should live in His holy wordRISE 1HOOK

You know we're living in trying times

And the devil will mess with your mind

The Lord is our strong tower

So let's make this our finest hour

Our god will show up right on timeV3

The evil one has many cunning ways

To lead us away from the right path

Sex, drugs, MTV base

Play station, Satellite, TVRISE 1V4

The Lord is light and my salvation

Who shall I fear

The lord is the strength of my life

Who shall I be afraidRISE 2

Stay close to God and live in his word (oh, oh, oh)

As Mathew 24 says, this is the start of sorrowsHOOKENDING

Right on time
