Rainmaker

Sleigh Bells

You, you and me, me and you
We will always be
The take out two
Me and youCause all those other things
Surperfluous, god damn
Superfluous, god damn
It was never really meant to be
You and me(You have me around and in tears)
(As always rainmaker)Rainmaker, you make me weep
Rainmaker, you make me weepIt was never really meant to be
You and me
I can hardly stand
I can hardly sleep
I can hardly speak
I can hardly breathIt was never really meant to be
You and meI want you to be happy
You're the rainmakerI can hardly stand
I can hardly sleepIt was never really meant to be
You and meI can hardly stand
I can hardly sleep
I can hardly speak
I can hardly breath
It was never really meant to be
You and meYou and me, me and you
We will always beThe take out two
Me and you(I can hardly stand)
(I can hardly sleep)
(I can hardly stand)
(I can hardly sleep)It was never really meant to be
You and me
