Poison

Bell Biv Devoe

Poison
Yeah spot a man of freedom for a fact aah-aah uh-hum
Poison you ready Ron I'm ready
You ready Dave I'm ready Slick are you
Oh yeah break it down
Girl I must warn you
I sense something strange in my mind
Yeah yo situation is serious
Let's cure it 'cause we're running out of time
Mm mm tell 'em Rick it's all so beautiful
Relationships they seem from the start
Yeah mm mm it's all so deadly
When love is not together from the heart
Mm mm check it out
It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her, wrong move you're dead
That girl is poison
Never trust a big butt and smile
That girl is poison poison
If I were you I'd take precaution
Before I start to leave fly girl
You know 'cause in some portions
You'll think she's the best thing in the world
She's so fly, she'll drive you right out of your mind
Steal your heart when you're blind
Beware she's schemin', she'll make you think you're dreamin'
You'll fall in love and you'll be screamin' dreamin'
Poison deadly moving it slow
Looking for a mellow fellow like DeVoe
Getting paid laid so better lay low

Schemin' on hots my end the pro show
The low pro hot should be cut like an afro
See what you're sayin' huh
She's weighin' but I know she's a loser
How do you know me and the crew used to do her
Poison (x20)

I was at the bar shake shakin' takin' 'em off
And that night I played the wall
Checkin' out the fellas the highs the lows
Keepin' one eye open still clockin' 'em
Still one particular girl that stood out from the rest
Poison as can be how how is she
Michael me and see and I'm runnin' the show
Bell Biv DeVoe ha-ha ha-ha
Now you know you're Slick blow
It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her, wrong move you're dead
That girl is poison (Poison poison)
Never trust a big butt and smile
Poison (Poison poison)
She's dangerous
Poison
Oh yeah (poison) oh yeah
(Poison poison)
Hear fellas you hear what I'm saying Mike
Yeah baby dance for a fact
What's happened to Ral-T and Johnny G and Bobby Brown
You know who we mean crew
(Poison)
ah-ha ah-ha ah-ha
