Daisy Jane

America

Flyin' me back to Memphis Gotta find my Daisy Jane Well the summer's gone

And I hope she's feelin' the sameWell I left her just to roam the city

Thinkin' it would ease the pain

I'm a crazy man

And I'm playin' my crazy game, gameDoes she really love me?

I think she does

Like the stars above me, I know because

When the sky is bright

Everything's alrightFlyin' me back to Memphis

Honey keep the oven warm

All the clouds are clearin'

And I think we're over the stormWell I've been pickin' it up around me

Daisy I think I'm sane

Well I'm awful glad

And I guess you're really to blame, blameDo you really love me?

I hope you do

Like the stars above me, how I love you

When it's cold at night

Everything's all rightDoes she really love me?

I think she does

Like the stars above me, I know because

When the sky is bright

Everything's alright
