

# Vengas Conmigo

## Robin Thicke

Got a call from my boss Mr. Andre Havell  
Don't need me for the weekend  
To do what the hell  
I packed up the ride and jumped on the cell  
I'm callin up my friends

'65 Rivi with the dice in the mirror  
Rollin down the coast, the cops on the rear  
Goin where the ladies want Tequila & Beer  
I'm lookin at the Mami  
And where she goes I'm following

Bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Quiero que tu bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Anywhere we go (x4)

We talk and we touch, ooh  
I like her so much  
A walk on the beach and all the way home  
She shows me to her room

Time is flying till her brother arrives  
He's throwin sneakers at my head  
And the CDs are flyin  
I jumped out the window, left my clothing behind  
She never said her name  
But where she goes I'm wondering

Quiero que te Bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Quiero que tu bailes why sigue conmigo  
Quiero que te vengas conmigo amor

Quiero que tu Bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Quiero que tu bailes why sigue conmigo  
Quiero que te vengas conmigo amor

Anywhere we go (x4)

I wanna make you laugh like you love me  
Crack like you love me  
Act like you love me  
I wanna make you laugh like you love me  
Crack like you love me

Quiero que te Bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Quiero que tu bailes why sigue conmigo  
Quiero que te vengas conmigo amor

Quiero que tu Bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Quiero que tu bailes why sigue conmigo  
Quiero que te vengas conmigo amor  
Anywhere we go (x4)
