

Vengas Conmigo

Robin Thicke

Got a call from my boss Mr. Andre Havell
Don't need me for the weekend
To do what the hell
I packed up the ride and jumped on the cell
I'm callin up my friends

'65 Rivi with the dice in the mirror
Rollin down the coast, the cops on the rear
Goin where the ladies want Tequila & Beer
I'm lookin at the Mami
And where she goes I'm following

Bailes why sigue conmigo
Quiero que te vengas conmigo amor
Quiero que tu bailes why sigue conmigo
Quiero que te vengas conmigo amor
Anywhere we go (x4)

We talk and we touch, ooh
I like her so much
A walk on the beach and all the way home
She shows me to her room

Time is flying till her brother arrives
He's throwin sneakers at my head
And the CDs are flyin
I jumped out the window, left my clothing behind
She never said her name
But where she goes I'm wondering

Quiero que te Bailes why sigue conmigo
Quiero que te vengas conmigo amor
Quiero que tu bailes why sigue conmigo
Quiero que te vengas conmigo amor

Quiero que tu Bailes why sigue conmigo
Quiero que te vengas conmigo amor
Quiero que tu bailes why sigue conmigo
Quiero que te vengas conmigo amor

Anywhere we go (x4)

I wanna make you laugh like you love me
Crack like you love me
Act like you love me
I wanna make you laugh like you love me
Crack like you love me

Quiero que te Bailes why sigue conmigo
Quiero que te vengas conmigo amor
Quiero que tu bailes why sigue conmigo
Quiero que te vengas conmigo amor

Quiero que tu Bailes why sigue conmigo
Quiero que te vengas conmigo amor
Quiero que tu bailes why sigue conmigo
Quiero que te vengas conmigo amor
Anywhere we go (x4)
