

# Pity Party (XVII Remix)

## Melanie Martinez

Did my invitations disappear  
Why'd I put my heart on every cursive letter?  
Tell me why the hell no one is here  
Tell me what to do to make it all feel better  
Maybe it's a cruel joke on me  
Whatever, whatever  
Just means there's way more cake for me  
Forever, forever  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place  
I'll cry until my pity party's in flames  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place  
I'll cry until my pity party's in flames  
Maybe if I knew all of them well  
I wouldn't have been trapped inside this hell that holds me  
Maybe if I casted out a spell  
But told them decorations were in pastel ribbons  
Maybe it's a cruel joke on me  
Whatever, whatever  
Just means there's way more cake for me  
Forever, forever  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place  
I'll cry until my pity party's in flames  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place  
I'll cry until my pity party's in flames  
I'm laughing, I'm crying  
It feels like I'm dying  
I'm laughing, I'm crying  
It feels like I'm dying  
I'm laughing, I'm crying  
It feels like I'm dying  
I'm dying, I'm dying  
It's my party and I'll cry if I want to (want to, want to)  
It's my party and I'll cry if I want to  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place  
I'll cry until my pity party's in flames  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)  
I'll cry until the candles burn down this place

I'll cry until my pity party's in flames  
It's my party, it's, it's my party  
It's my party, it's, it's my party  
It's my party and I'll cry if I want to  
Cry if I want to (cry, cry, cry)
