Opening: The New World

Company

WOMAN 1:
A new world calls across the ocean
A new world calls across the sky
A new world whispers in the shadows
Time to fly, time to flyMAN 2:
It's about one moment
The moment before it all becomes clear
And in that one moment
You start to believe there's nothing to fear
It's about one second
And just when you're on the verge of success
The sky starts to change
And the wind starts to blow
And you're suddenly a stranger
There's no explaining where you stand
And you didn't know
That you sometimes have to go
Round an unexpected bend
And the road will end
In a new worldWOMAN 1:
A new world calls for me to follow
A new world waits for my reply
A new world holds me to a promise
Standing by, standing byWOMAN 2:
It's about one moment
That moment you think you know where you stand
And in that one moment
The things that you're sure of slip from your hand
And you've got one second
To try to be clear, to try to stand tall
But nothing's the same
And the wind starts to blow
And you're suddenly a stranger
In some completely different land
And you thought you knew
But you didn't have a clue
That the surface sometimes cracks
To reveal the tracks
To a new worldMAN 1:

You have a house in the hillsWOMAN 2:
You have a job on the coastMAN 2:
You find a lover you're sure you believe inMAN 1:
You've got a pool in the backWOMAN 2:
You get to the part of your lifeMAN 2:
You hold the ring in your handMAN 1:
But then the earthquake hitsWOMAN 2:
And the bank closes inMAN 2:
Then you realize you didn't know anythingWOMAN 1, WOMAN 2, MAN 1, & MAN 2:
Nobody told you the best way to steer
When the wind starts to blowMAN 1:
And you're suddenly a strangerWOMAN 1, WOMAN 2, & MAN 2:
All of a suddenWOMAN 1, WOMAN 2, MAN 1, & MAN 2:
You life is different than you plannedMAN 1:
And you'll have to stay til you somehow find a wayWOMAN 1, WOMAN 2, MAN 1, & MAN 2:
To be sure of what will be
Then you might be freeWOMAN 1:
A new world crashes down like thunder
A new world charging through the airWOMAN 1 & MAN 1:
A new world just beyond the mountainWOMAN 1, WOMAN 2, & MAN 1:
Waiting there, waiting thereWOMAN 1, WOMAN 2, MAN 1, & MAN 2:
A new world shattering the silence
There's a new world I'm afraid to see
A new world louder every moment
Come to me, come to me!
