

Y Gwyneb Iau

Super Furry Animals

Cwyd dy bentan a dos lawr i'r de
Take your homestead and then head down south
Gad dy dreftadaeth mewn priodol le
Leave your heritage in the designated space
Ble 'roedd cartref nawr mae gwagle llwyd
What was once home is now grey matter Pwy wnaeth daflu'r ffrwyth at ein llwyth?
Who threw that fruit at our tree?
Pwy all dalu'r pwyth?
Who will pay the price?
Talu'r pwyth?
Pay the price?
Pwy?
Who?
Aaaaah Adeiladu pontydd newydd sbon
Building bridges that are so brand new
Codi'r allor o weddillion bom
Lift the shrine that a bomb just blew
Golchi'r clwyf sy'n cadw dod yn ?
Cleanse the wound that will only recur Pwy wnaeth daflu'r ffrwyth at ein llwyth?
Who threw that fruit at our tree?
Pwy all dalu'r pwyth?
Who will pay the price?
Pwy a wyr?
Who knows?
Wyr?
????
Aaaaah
