

# My Soul Longs For You

## Jesus Culture

My soul longs for You  
My soul longs for You  
Nothing else will do  
Nothing else will do  
My soul longs for You  
My soul longs for You  
Nothing else will do  
My soul longs for You  
My soul longs for You  
Nothing else will do  
Nothing else will do  
My soul longs for You  
My soul longs for You  
Nothing else will do  
Nothing else will do

I believe You will come like the rain  
I believe You will come like the rain, oh  
And I believe You will come like the rain

I believe You will come like the rain  
My soul longs for You  
My soul longs for You  
Nothing else will do  
Nothing else will do  
My soul longs for You  
My soul longs for You  
My soul longs for You  
My soul longs for You  
Nothing else will do  
Nothing else will do

I believe You will come like the rain  
I believe You will come like the rain, I believe it  
I believe You will come like the rain  
I believe You will come like the rain  
You'll come like the rain  
You'll come like the rain  
You'll come like the rain  
You'll come like the rain, oh  
You'll come like the rain  
You'll come like the rain

You'll come like the rain  
Come like the rain  
Oh, I believe, I believe  
I see the cloud and oh, the rain is coming  
And oh, the rain is coming  
Oh, revival, revival rain  
Oh, I see the clouds  
It's coming, coming, it's coming  
I believe, I believe Jesus, you're mighty to save  
And I believe, you pour out your spirit upon all, please God  
I believe, I believe, I believe You're pouring down  
Oh, it's gonna rain, it's gonna rain, I believe  
So let it rain, let it rain, let it rain, let it rain  
Let it rain, let it rain, let it rain, let it rain  
Jesus, lift Your voice tonight, we're thirsty, God
