

# Foreigner From Boston

Ike Willis

Iâ€™m known in certain circles as  
The Foreigner from Boston  
Iâ€™m not too pretty  
Seen a lotta better days  
My occupation is I find â€™em if you lost â€™em  
So donâ€™t you try to judge me  
Itâ€™s semi-honest and it pays  
My biggest problem as a musical creation  
Like that cartoon conscience  
That you know is gonna come  
And, technically, since Iâ€™m a conscience-dumping-station  
I get to ask the question  
What exactly have you done?

Iâ€™m in a rush,  
My journey through the Styx of Kansas  
Godz save the Queen  
There is no way that I could have planned this I?  
No, I canâ€™t understand  
How these girls of such fame nâ€™ fortune  
Kidnapped at night/  
Itâ€™s just like a newspaper cartoon Why?  
Why?

Wonderman, or Cyndi â€“ Itâ€™s so damn trendy  
At least the heart is there  
But the Richards and the Rogers â€“ knucklehead dodgers  
Iâ€™m sure that they donâ€™t care

The leisure-suited ones have sent me on this deadly mission  
To save the Queen (of all things) from the Iron Maidenâ€™s clutch  
This gig is Suicide and thatâ€™s just what theyâ€™re wishing â€“  
â€™Cause now Iâ€™m really threatening what I knowâ€™s  
(for them) Too much  
I just wish I could escape from all this silly ego  
But itâ€™s just not in my structure  
Guess they made me much too well  
But they donâ€™t even realize whatâ€™s criminal or legal  
The phone will ring and start the dayâ€™s

## Excursion into hell

Iâ€™m in a rush,  
My journey through the Styx of Kansas  
Godz save the Queen  
There is no way that I could have planned this I?  
No, I canâ€™t understand  
How these girls of such fame nâ€™ fortune  
Kidnapped at night/  
Itâ€™s just like a newspaper cartoon. Why?  
Why?

Macho man or Mister â€“ grab yer little sister  
Just whirl her â€™round nâ€™ dance  
â€™Cause the Foreigner is coming â€“  
Why are you running?  
You havenâ€™t got a chance

Iâ€™m known in certain circles as  
The Foreigner from Boston  
Iâ€™m not too pretty  
Seen a lotta better days

You havenâ€™t got a chance  
Chance  
Chance  
Chance
