Stitches (James Envoud Remix)

Shawn Mendes

I thought that I've been hurt before
But no one's ever left me quite this sore
Your words cut deeper than a knife
Now I need someone to breathe me back to lifeGot a feeling that I'm going under
But I know that I'll make it out alive
If I quit calling you my lover
Move onYou watch me bleed until I can't breathe
I'm shaking falling onto my knees
And now that I'm without your kisses
I'll be needing stitches
I'm tripping over myself
I'm aching begging you to come help
And now that I'm without your kisses
I'll be needing stitchesJust like a moth drawn to a flame
Oh you lured me in I couldn't sense the pain
Your bitter heart cold to the touch
Now I'm gonna reap what I sew
I'm left seeing red on my ownGot a feeling that I'm going under
But I know that I'll make it out alive
If I quit calling you my lover
Move onYou watch me bleed until I can't breathe
I'm shaking falling onto my knees
And now that I'm without your kisses
I'll be needing stitches
I'm tripping over myself
I'm aching begging you to come help
And now that I'm without your kisses
I'll be needing stitchesNeedle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up deadNeedle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up deadNeedle and the thread
Gotta get you out of my head
Needle and the thread
Gonna wind up deadNeedle and the thread
Gotta get you out of my head get you out of my headYou watch me bleed until I can't breathe
I'm shaking falling onto my knees (falling on my knees)

And now that I'm without your kisses
I'll be needing stitches (and I'll be needing stitches)
I'm tripping over myself
I'm aching begging you to come help (begging baby please)
And now that I'm without your kisses
I'll be needing stitchesAnd now that I'm without your kisses
I'll be needing stitches
And now that I'm without your kisses
I'll be needing stitches
