

Let It Will Be (Paper Faces Vocal Edit)

Madonna

Now I can tell you
About success, about fame
About the rise and the fall
Of all the stars in the sky Don't it make you smile?
Let, it will be
Just let it be
Won't you let it be? Now I can tell you
About the place I belong
You know it won't last long
And all those lights they will turn down
Let, it will be
Oh, let it be
Just let it be
Won't you let it be? Now I can see things
For what they are really are
I guess I'm not that far
I'm at the point of no return
Just watch me burn Let, it will be
Just let it be
Oh let it be
Let, it will be Just let it be (Just let it be)
Let, it will be
Oh let it be (Don't you let it be?)
Oh let it be (Won't you let it be?) Now I can tell you
The place that I belong
It won't last long
The lights they will turn down (Oh let it be)
Oh let it be
Oh let it be (Won't you let it be?)
Oh let it be (You've got to let it be)
Oh let it be (Everyone can see)
Oh let it be (Let, it will be) Just watch me burn
Oh let it be
Just let it be
Won't you let it be?
Won't you let it be? (Just let it be)
Oh let it be (Let it will be)
Just let it be (Don't you let it be?)
Won't you let it be? (Won't you let it be?) Now I can tell you (Oh let it be)

Tell you, tell you (Just let it be)
About success, about fame
Won't you let it be? (About fame, about fame)
Won't you let it be?
Oh let it be
Just let it be
Won't you let it be?
