

Rollercoaster (Live in Bochum 2000)

The Gathering

Outrun the fight
I use to hide
In quiet places I'll rephrase my cry
For I would keep on wondering
The rest of my life You're all moving too fast
My biggest fear is
That we'll never ever last I know, it's not that easy
Let's hit the brakes Don't take no time
Unless there's a crime
To be committed I guess we lost our faith
While we stand and wait
until nothing ever happens I know, it's not that easy
Let's hit the brakes
