

# Candy Man

[Rev. Gary Davis](#)

Candy man been here and gone  
Candy man been here and gone  
Candy man, Salty dog  
If you can't be my Candy man you can't be my salty dog Candy man, candy man  
Candy man, fatten' hog  
Candy man, Santa Claus If you can't be my candy man, can't be my fatten' hog Candy man, candy man  
Candy man, been here and gone  
Candy man, salty dog I wish I was in New Orleans, sitting on the candy stand Run get the pitcher, get the baby  
some beer  
Run get the pitcher, get the baby some beer  
Run get the pitcher, get the baby some beer  
Run get the pitcher, get the baby some beer  
Run get the pitcher, get the baby some beer  
Run get the pitcher, get the baby some beer I'd give anything in this god almighty world  
To get my Candy man home Candy man, salty dog  
Candy man, fatten' hog  
Candy man, salty dog If you can't be my Candy man  
You can't be my man at all
