

# You Can Depend on Me

Nat "King" Cole

Though you say we're through  
I'll always love you  
And you can depend on me  
Though someone that you've met  
Has made you forget Honey, you know  
You can count on me When I wish, I wish you success And loads, loads of happiness But baby,  
I gotta confess I'll be lonely If you ever,  
Ahh, if you ever need a friend  
And you can depend on me  
I'll be yours until the end And loads of happiness  
I wish you success  
But, darling, I gotta confess I'm gonna be lonely  
Oh if you ever, ahh, if you ever need a friend  
I'll be right by your side ahh, till the end  
And you can depend on me You can depend on me
