

# Do Not Let Me Go

[Joshua Hyslop](#)

There are moments in this life when you can't fake it  
There are moments I would walk another road  
There was something in the broken way you said it  
Saying 'Please, Oh, God, do not let me go'

From the moment I was born I have been dying  
Yeah, we walk along towards the great unknown  
Is it love if I have given up on trying  
Saying, 'Oh, My God, don't leave me alone'  
Saying, 'Please, Oh, God, do not let me go'

If You're up there could You lift my heavy burden  
'Cause I cannot seem to make this on my own  
Thought I'm not sure You can hear me, I'm still beggin'  
Saying, 'Oh, My God, don't leave me alone'  
Saying, 'Please, Oh God, do not let me go'
