Pure Emotion

Hollerado

Pure emotion is signing up for service
Just to get some revenge on the world
Pure emotion don't make your hand in flatteries
Only as fresh with the nurseNow don't you make me make me make me
They caught a feeling just to sell it alongSo I try not to forget
I takeWho did you love and like the empire day
I went for shifts at Cologne
Ain't it too hot? It's like a kingdom honey
I wait for the walls to come down
I want a chance to say I told you so
That bare emotion take a day and hold
I try not to forget
Is not safe in your hands
Is not safe in your handsIs not safe in your hands
