

# You're Getting to Be a Habit With Me

Frank Sinatra

Every kiss, every hug  
Seems to act just like a drug  
You're getting to be a habit with me Let me stay in your arms  
I'm addicted to your charms  
You're getting to be a habit with me I used to think your love was something  
That I could take or leave alone  
But now I couldn't do without my supply  
I need you for my own Oh, I can't break away  
I must have you everyday  
As regularly as coffee or tea  
You've got me in your clutches and I can't break free  
You're getting to be a habit with me
