# Don't Call Me Stranger

## Catherine MacLellan

I.
If you see me in the crowd
Youâ€™re too scared to call out
You need time you need time
Iâ€™ll come â€˜round

Chorus
Donâ€™t call me stranger donâ€™t call me lover
Always somewhere in between
Never to give your secrets
Up to me

Guitar solo - verse melody

III.
You and your whisper little sister
You said nothing to me
I couldnâ€™t hear what youâ€™re saying
What you mean

Chorus

Refrain
I was bound to rest
When our hearts fall to dust
How Iâ€™d love to know
What youâ€™re keeping from us

Chorus

Guitar solo â€“ refrain and then chorus melody combined

Refrain

Donâ€™t call me stranger donâ€™t call me lover
Always somewhere in between
Never to give your secrets
Up to me
Never to give your secrets
Up to me

Never to give your secrets
Up to me
