Nobody Knows

Kevin Sharp

I pretend that I'm glad you went away
these four walls close in more every day
And I'm dyin' inside
And nobody knows it but meLike a clown I put on a show
The pain is real, even if nobody knows
And I'm cryin' inside
And nobody knows it but meWhy didn't I say
The things I needed to say
How could I let my angel get away
Now my world is just a tumblin' down
I can see it so clearly
But you're nowhere aroundThe nights are lonely, the days are so sad and
I just keep thinkin' about the love that we had
And I'm missin' you
And nobody knows it but me(Music, hmm...noone knows)I carry a smile
when i'm broken in two
and i'm nobody
without someone like you
i'm tremblin' inside
and nobody knows it but mei Lie awake
it's a quarter past 3
i'm screamin at night
if i thought you'd hear me
yeah, my heart is calling you
and nobody knows it but me
How blue can I get, you could ask my heart
Just like a jigsaw puzzle it's been torn all apart
A million words couldn't say
Just how I feel
A million years from now you know
I'll be lovin' you stillThe nights are lonely, the days are so sad and
I just keep thinkin' about the love that we had
And I'm missing you
And nobody knows it but me(nobody)Tomorrow morning
i'mma hit the dusty rod gonna find you wherever,
ever you might go
and i'm gonna let go of my heart
and hope you come back todayNights are lonely, the days are so sad
(No one knows)

And I just keep thinkin' about the love that we had
(Nobody knows)
And I'm missing you and nobody knows it but meThe nights are lonely, the days are so sad and
And I just keep thinkin' about the love that we had
And I'm missing you and nobody knows it but me
