Can't Seem To Make You Mine

Garbage

I can't seem to make you mine
Kissing all around all the time
Flying around like a bee
Hurtin' everything you see
I try everything I know, oh
To make you wanna love me so, oh
The only things you do, oh
Is try to put the hurt on me, oh
Can't you see what you're doin' to me
You fill my heart with misery
With every breath every step I take
I'm more in love with you
Oh I can't go on like this
A little bit of love and not one kiss
I've gotta have your love every day

One never fade and stay, oh
Can't you see what you're doin' to me
You fill my heart with misery
With every breath, every step I take
I'm more in love with you, oh
I can't seem to make you mine, oh
I can't seem to make you mine, oh
Kissing all around all the time
I can't seem to make you mine, oh
Flying around like a bee
Hurting everything you see
I can't seem to make you mine, oh
I can't seem to make you mine, oh
I can't seem to make you mine
I can't seem to make you mine.
