

Meet Me In the Middle

Allstar Weekend

east coast girl tryin' to catch the sun,
came out west and we fell in love
went back east 'cause she missed the snow,
her heart was cold
now everytime i drive her PCH, i can see the
sunshine on her face
san diego's nice, but it's not as beautiful
"we can really do this if you want to", i said
"hope you really mean it 'cause i want to", she said
half of these three-thousand miles is yours
the other half is mine oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle may be somewhere in the lonestar state,
we can buy some bargain real estate
we can be the bandits on the run,
we'll know no one
i would you swedish fish all the time,
i would be your truck stop valentine
you can wear your pj's out to dinner
i don't mind
"we can really do this if you want to", i said
"hope you really mean it 'cause i want to", she said
half of these three-thousand miles is yours
the other half is mine oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle time won't take it away, if we don't take the interstate
but if we drive straight, we'll be there this time saturday oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,

oh, ohh meet me in the middle
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, oh, oh, oh, oh,
oh, ohh meet me in the middle
