

Martin Scorsese

King Missile

This one' called Martin Scorsese
He makes the best fucking films (x2)
If I ever meet him I'm gonna grab his fuckin' neck and just shake him
And say thank you thank you for makin' such excellwnt fuckin' moviesThen I'd twist his nose all the way the
fuck around
And the rip off one of his ears and throw it
Like a like a like a fuckin' frisbee
I want to chew his fuckin' lips off and grab his head and suck out one of hisEyes and chew on it and spit it out
in his face
And thank you thank you for all of your fuckin' films
Then I'd pick him up by the hair swing him over my head a few times
And throw him across the room and kick all his fuckin' teeth in and thenstomp on his face 40 or 50 times
'Cause he makes the best fucking films he makes the best fucking films
I've ever seen in my life
I fuckin' love him
I fuckin' love him
