Seventeen

Foreigner

Late last night
I get a call from a so-called friend
He wouldn't give his name
Says he saw you with another man
Feels like seventeen years
It's only seventeen days
Since I saw the real you
And I let you walk awayYou left me broken
You left me stranded
The way you play this game of love
It's just plain underhanded
I spent a lot of time
And I spent all my money
Don't want no other fool
To put his hands on youWho you been talkin' to?
Yeah who you been walkin' with?Seventeen, you're just seventeen
SeventeenThey said I was playin' with fire
I knew I had to take a chance
I had to take you higher
To a new experience
But little did I know
I'd never get that far
Girl, you know you put on quite a show
You're gonna be a starWhen you grow older, girl
You'll remember I told you, girlSeventeen, you're just seventeen
Seventeen, seventeenSeventeen, you're just seventeen
Seventeen, seventeenSeventeen, you're only seventeen
Seventeen, seventeen
