Journey's End

The Flowerpot Men

Are we really out of time?
Is there nothing we can try?
If I say what's in my heart
Do you promise not to cry?

Did you know how much it takes?
Will this be my last mistake?
Not to tell you how I'm scared
Then to watch you as you're slipping away

Will you know how much I love you?
Will you know how much I care for you?
This can't be the way it ends

Stay, don't let this moment break
Just let me touch your face
I wish that I had found the words
To tell you how I feel

'Cause every time you breathe
You take my breath away and now I know
No matter where the road may go
You'll always be the sun, did you know? Did you know?

Can my love drown out this fear?
Will time dry out these tears?
If I whisper how I feel
Will you hear what's in my head?

How I hung on every move
How I treasured every touch
How I can't believe you felt the same
How I can't believe we're out of time

Did you know you were my reason?
Did you know that it was always you?
This can't be the way it ends
This can't be your journey's end

Stay, don't let this moment break

Just let me touch your face
I wish that I had found the words
To tell you how I feel

'Cause every time you breathe
You'll take my breath away and now I know
No matter where the road may go
You'll always be the sun, did you know?
Did you know? Did you know?

Stay, don't let this moment break
Just let me touch your face
I wish that I had found the words
To tell you how I feel

'Cause every time you breathe
You'll take my breath away and now I know
No matter where the road may go
You'll always be the sun, did you know?
Did you know? Did you know? Did you know?

If we had just one more day
Could I say what's not been said?
Could I tell you all you mean to me?
All that's burning in my head

This can't be the way it ends
This can't be your journey's end
