Confess

William Control

Confess your sins
Kneel and repent
I'm the Christ you crave
Keep your faith
Bend and believe
I'm the god that you prayTemptation follows
Damnation swallows you whole
Salvation you have been searching for is knownWell, save me
You can worship, praise me
If you suffer, save me
From the world we tore in halfWell, save me
You can worship, praise me
If you suffer, save me
From the world we tore in half
We kill for loveConfess your sins
Play in the night
I'm the king you need
Kneel and say
All the right things
I'm the god that you prayTemptation follows
Damnation swallows you whole
Salvation you have been searching for
Is knownWith one last cross of devotion
For two more seconds of romance
Three deep breaths and you're gone again
With four I was...Well, save me
You can worship, praise me
If you suffer, save me
From the world we tore in half
We kill for loveSave me
You can worship, praise me
If you suffer, save me
Save me
From the world we tore in half
We kill for loveWe kill for love
