

Feeling Sorry

Paramoreæ¹/₄€

We still live in the same town, well, don't we?

But I don't see you around anymore.

I go to all the same places

Not even a trace of you.

Your days are numbered at 24. And I'm getting bored waiting 'round for you.

We're not getting any younger.

And I won't look back 'cause there's no use.

It's time to move forward. I feel no sympathy.

You live inside a cave

You barely get by, the rest of us are trying

There's no need to apologize

I've got no time for feeling sorry.

Well, I try not to think of what might happen.

When your reality it finally cuts through.

Well, as for me I got out and I'm on the road.

The worst part is that this, this could be you. You know it, too.

You can't run from your shame.

You're not getting any younger.

Time keeps passing by

But you wave it away.

It's time to roll over. I feel no sympathy.

You live inside a cave.

You barely get by, the rest of us are trying.

There's no need to apologize

I've got no time for feeling sorry.

And all the best lies

They are told with fingers tied.

So cross 'em tight.

Won't you promise me tonight

If it's the last thing you do

You'll get out. I feel no sympathy.

You live inside a cave.

You barely get by, the rest of us are trying.

There's no need to apologize

Got no time, got no time. I feel no sympathy.

You live inside a cave.

You barely get by, the rest of us are trying.

There's no need to apologize

I've got no time.

I've got no time for feeling sorry.

I've got no time for feeling sorry.
