Lust In the Movies

The Long Blondes

A svelte young man, eighteen lovers to his name.
Well if the rumours are true then eighteen lovers came crawling back again.
I don't feel well.
I've got this rattling in my chest.
My doctor said that I should give it up because I'm clinically obsessed.I know you think you're in the movies.
You're in the movies that don't wanna know me.
Well I know all about fear and desire, I know all about lust et cetera.Edie Sedgwick, Anna Karenina, Arlene Dahl.

I just want to be a sweetheart.
I just want to be a sweetheart.
I just want to be a sweetheart.A sweet young girl, dressed to the nines in Cacharel.
Oh, under the weather my heels click together, and following her is hell.
I feel quite ill.
I've got this rattling in my chest.
My doctor said that I should give it up, I need to get some rest.Edie Sedgwick, Anna Karenina, Arlene Dahl.

I just want to be a sweetheart.
I just want to be a sweetheart.
I just want to be a sweetheart.So never, neve, never try to tell me it's a pleasure being alone.
All I have here with me are the records and the books that I own.Nag, nag, nag.
Nag, nag, nag.
Nag, nag, nag.
Nag, nag, nag.Edie Sedgwick, Anna Karenina, Arlene Dahl.

I just want to be a sweetheart.
