

# You and Me Against the World

Paul Williams

You and me against the world  
Sometimes it feels like you and me against the world  
When all the others turn their back and walk away  
You can count on me to stay

Remember when the circus came to town  
And you were frightened by the clown  
Wasn't it nice to be around  
Someone that you knew  
Someone who was big and strong  
An lookin' out for

You and me against the world  
Sometimes it feels like you and me against the world  
And for all the times we've cried  
I always felt the odds were on our side  
And when one of us is gone  
And one is left alone to carry on  
Then remembering will have to do  
Our memories alone will get us through  
Think about the days of me and you  
Of you and me against the world

Life can be circus  
They underpay and overwork us  
Though we seldom get our due  
And when each day is through  
I bring my tired body home  
And look around for you

You and me against the world  
It feels like you and me against the world  
And for all the times we've cried  
I've always felt that God was on our side  
And when one of us is gone  
And one is left alone to carry on  
Then remembering will have to do  
Memories alone will get us through  
Think about the days of me and you  
You and me against the world
