## Never Shout Never

I know that I've been dancin'  
Around the truth ooh whoa  
But tell me what the hell I'm supposed to do  
And I, I'm a little bit agitated  
With a slight scent of denial I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da-da-da) I won't try that again  
I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da-da-da), I won't try that again (Ooh) La la la la  
La la la la  
La la la la, la  
Shalom? La la la la  
La la la la  
La la la la, la Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight  
With a better judgment  
Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight  
With a better judgment  
Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight  
With a better judgment  
A better judgment I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da da da), I won't try that again
