# Mi Amor

## Matt Hunter

I've Traveled all across the world,
I've Seen a lot of fancy things,
But I never seen a beauty quite like this,
This must be a dream!
So I pinch myself ouch, it hurts... man,!!!
Well I guess this must be real
So I?m gonna cease the moment
And tell her how I feel.
Chorus:
Let me take you to Chile o Costa Rica,
Puerto Rico o Colombia,
We can dance under sky,
Use the moon as our spotlight.
Two step with the right man,
I can teach you how to dougie in the white sand,
Just take a chance and run away
Won?t you listen when I say:
Will you be mi amor? ?
Just what I?m looking for,
Don?t be afraid to fly across the sky
So girl let?s go, let?s go?
baby let the rest know, rest know
Yup, yup girl Lets go, lets go
Baby you can learn the rest know
you are mi amor.
I got fans from coast to coast,
They're showing love every where i stay
Everyboy yell hola when the show ova'
still wanna see your face
Baby es muy bonita numero uno chica
Sing to you alcapella Let's fly away
Chorous:
Let me take you to Chile O Costa Rica
Puerto Rico or Colombia
We can dance under the sky,
Use the moon as our spotlight
