

# Soothe Me

Rod Stewart

Soothe Me, Baby  
Soothe me  
Soothe me with your eyes  
Though I know  
Your powerful loving is  
Soothing to me I used to hire a lot of girls  
Hot and big and small  
Since I meet this baby of mine  
I don't want mother girls at all Soothe me, baby  
Soothe me  
Soothe me with your kindness  
Though I know your powerful loving is  
Soothing to me Oh, how I used to ramble  
Oh, how I used to roam  
Since I found this pretty little baby  
All I want to do  
Is stay at home  
At home Soothe Me, Baby  
Soothe me  
Soothe me with your eyes  
Though I know  
Your powerful loving is  
Soothing to me One more time, man Soothe me, baby Soothe me  
Soothe me with your kindness  
Though I know  
Your mama don't like it  
It's soothing to me Oh, once I was a worried man  
I was drinking night and day  
Now, I've got this angel by my side  
All my worries have drifted away Soothe me, baby  
Soothe me, baby  
Soothe me, baby  
Soothe me, baby Soothe me, baby  
Soothe me  
Soothe me with your kindness  
Though I know your powerful loving is  
Soothing to me
