

# Count On Me

Mat Kearney

one day to get it all right  
too wrong and not enough right  
three words we said in the night  
before we held the fire  
high five me brother its amazing  
her six shooter came out blazing  
seven up and coke on the pavement  
ate my heart out daily babyhey i love you, hey i need you, hey i want you, do you want me too?you can count  
on me, when you can not see  
let me spell it out plain and simple now  
when your numbers called backs against the wall  
pick you up when you fall be there when you call  
singing a b c  
you can count on me  
123  
you can count on meamen we made it this far  
b boys in vw cars  
see me seeing into my heart  
delighted through the dark  
emails and coffee in the evening  
effort ya brother you'll believe it  
gee i don't know your secret  
h. i. love you singinghey i love you, hey i need you, hey i want you, do you want me too?you can count on me,  
when you can not see  
let me spell it out plain and simple now  
when your numbers called backs against the wall  
pick you up when you call be there when you fall  
singing a b c  
you can count on me  
123  
you can count on meadd it up add it up now darling  
come running running when your calling
