All Because Of You

Sierra Hull

It doesn't really matter, what you do or say,
It doesn't matter, cause you just hurt me either way,
I've tried, oh I've tried, to give the best of me,
But my mind is running circles and my heart has unbelief.
[Chorus]
That what you say is certain, that your love is true.
Believe me I am hurtin' and it's all because of you.
You've made your mark upon my heart, and left me so in love,
But something deep inside of me says love is not enough.
Well you have me, do I have you? Are you not what you say?
Is your love for me still here, or has it gone away?
[Chorus]
Tell me what you say is certain, that your love is true,
Believe me I am hurting' and it's all because of you.
Is what you say certain, is your love true?
Believe me I am hurting, and it's all because of you.
Because of you.
