Thunderhead

W.a.s.p.

Oh Thunderhead, you're a man with a problem
Ahh - old habits too hard to break
And soon you'll be dead from that poison that you're on
Oh - the venom that's worse that the snakesAnd I say, hey, hey, hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey: white thunder
Needles and pins a dead man you're in
So deep you'll never climb out
Hey-hey-hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey white thunder
A gun to your head, the trigger you're dead
It's quicker and there ain't no doubtOh thunderhead, tie it off you're in heaven'
Oh you'll drown in the Heroin flood
And die in your bed and sweat and detox
You are leaving this world
Oh your epitaph's written in blood
And I saidHey-hey-hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey - white thunder
Needles and pins
A dead man you're in so deep you'll never climb out
Hey-hey-hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey - white thunder
A gun to your head, the trigger you're dead
It's quicker and there ain't no doubtKiller - ya scream and ya bleed
Thriller - you spread you disease
Watch out, watch outThunderhead - yes I am your master
Will you steal for me - yes
Will you ruin yourself and give everything unto me - yes
Will you lie, cheat, deceive, dishonor everything
And even kill thy brother for me, yes - yes
Will you worship only me as your true master. Yes
Thunderhead, will you die for me, yes masterHey-hey-hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey white thunder
Needles and pins
A dead man you're in

So deep you'll never climb out
Hey-hey-hey
Oh no, hey-hey-hey
Oh no, hey-hey-hey white thunder
A gun to your head
The trigger you're dead
It's quicker and there ain't no doubt, no no
