Secret Love

S Club

I come to see you every night
All on my own, nobody knows
The way that youÂ´re dancing
The look in your eyes
How your body moves
Will hypnotize

I canÂ´t
Show my feelings
When IÂ´m around you
But I can
Hide this secret, secret, secret
Like I do

I see the fire in your soul
And it drives me wild
The musicÂ´s burning in my heart
I feel desire
When you dance I lose control
Passion leads me on
To the point of no return
My secret love

La la-la la-la la-la la-la la
La la-la la-la la-la la-la la la

Underneath the moonlight I imagine his kiss
All of my dreams start like this
IÂ´m way downtown
IÂ´m out of my depth
Why am I here
What do I expect

But I canÂ´t
Fight my feelings
When IÂ´m around you
But I can
Hide this secret, secret, secret
Like I do

I see the fire in your soul
And it drives me wild
The musicÂ´s burning in my heart
I feel desire
When you dance I lose control
Passion leads me on
To the point of no return
My secret love

La la-la la-la la-la la-la la
La la-la la-la la-la la-la la
La la-la la-la la-la la-la la
La la-la la-la la-la la-la la la

The way you moveÂ´s so fiery and strong
Dark Latin heats me up as the beat goes on
Your moody stares send shivers down my spine
The more I watch the more my temperature climbs
And my secret shines

I see the fire in your soul
And it drives me wild
The musicÂ´s burning in my heart
I feel desire
When you dance I lose control
Passion leads me on
To the point of no return
My secret love

I see the fire in your soul
And it drives me wild
The musicÂ´s burning in my heart
I feel desire
When you dance I lose control
Passion leads me on
To the point of no return
My secret love
