I Like It Like That

After 7

I like it
Hey girl, I like it like that
I like it
Ooh girl, I like it like thatHey lady, yes I've been watching you
With your sweet and sexy ways
Girl, you've been checking me tooAnd I noticed that certain look in your eyes
Said to me, boy, jump right on it
Don't let this pass you byWell, I know what I like and I like what I see
Ooh, you keep a fire burnin' inside of me
It's a feeling I get when I'm lost in your eyes
Finally ooh, I realizedI like it, can't fight it, this feeling's a fact
Ooh, you drive me crazy and I like it like that
I like it, can't fight it and that's where I'm at
Ooh, you keep me comin' and I like it like thatCall me crazy why I'm so into you
'Cause you play me like you don't
But girl, I know that you doWhile you're playin'
Girl, just keep working my mind
Don't give in too easy, we've got plenty of timeWell, I know what I like and I like what I see
Girl, I'm crazy 'bout you and I'm willing to please
It's a feeling I get when I'm lost in your eyes
Finally, baby girl, I realizedI like it, can't fight it, this feeling's a fact
Ooh, you drive me crazy and I like it like that
I like it, can't fight it and that's where I'm at
Ooh, you keep me comin' and I like it like thatI like it, can't fight it, this feeling's a fact
Ooh, you drive me crazy and I like it like that
I like it, can't fight it and that's where I'm at
Ooh, you keep me comin' and I like it like thatI like what you do to me
The feeling you give to me
The way you move me
I want you to know no one compares to youThe way that you do
The things you do to me, baby
There's no one like you
As far as I can see, no, no
All you got to do is call on meI like it, can't fight it, this feeling's a fact
Ooh, you drive me crazy and I like it like that
I like it, can't fight it and that's where I'm at
Ooh, you keep me comin' and I like it like thatI like the way you wear your hair
(Hey girl, I like it like that)
Like the clothes you wear, baby

(Ooh girl, I like it like that)Everything you do is all right
(Hey girl, I like it like that)
It blows my mind
(Ooh girl, I like it like that)I like it, can't fight it, this feeling's a fact
Ooh, you drive me crazy and I like it like that
