

# The Second Sitting For The Last Supper

10cc

Another fish head in the dustbin  
Another loser in the queue for the soup kitchen  
Another reason for a visit  
We think you'd better come down  
Another nigger on the woodpile  
Another honky on the dole  
Another trip from off the 15th floor  
The greatest story ever told  
Was so wrong, so wrong 'Cause you promised milk and honey  
With an everlasting life  
And we listened with our ears closed  
And a blindness in our eyes  
But we heard them as they nailed you  
And we saw you crucified  
The second coming of the Holy Ghost  
We need a pocketful of miracles  
Two thousand years and he ain't shown yet  
We kept his seat warm and the table set  
The second sitting for the Last Supper  
Another Guru in the money  
Another mantra in the mail  
An easy way from rags to riches  
God's little acre's up for sale  
The time is right for resurrection  
We think you'd better come down  
The church don't ring with hallelujahs  
You haven't been for so long  
So long, so long  
Two thousand years and he ain't shown yet  
We kept his seat warm and the table set  
The second sitting for the Last Supper
