

The Sound Of Your Memory

Lukas Nelson

Well it's 4 a.m., ain't no sleep to be found
Your face in my mind spinning around
And awake I will dream, in my dream you'll be there
And I can't get away from you anywhere
And ever since I met you my life's been a song
A sad song, a love song with hate in between
You'd be breaking my heart, it was clear from the start
But my pen and my paper will keep my mind clean
And I can't breathe when you're around
My heart doesn't beat, my mouth doesn't speak
And I can't sleep cause of the sound
The sound of your memory that's bringing me down
The sound of your memory that's bringing me down
And I can't see myself without seeing you
I can't touch anything that don't feel like you do
Any place that I go I'll be looking for you
And it hurts me to know that you don't love me too
And I can't breathe when you're around
My heart doesn't beat, my mouth doesn't speak
And I can't sleep cause of the sound
The sound of your memory that's bringing me down
The sound of your memory that's bringing me down
And I can't breathe when you're around
My heart doesn't beat, my mouth doesn't speak
And I can't sleep cause of the sound
The sound of your memory that's bringing me down
Yes, the sound of your memory is bringing me down
