Vogue, vogue  
Vogue, vogue  
Go with the flow  
Go with the flow  
Come on, vogue  
Let your body move to the music, hey, hey, hey  
Come on, vogue  
Let your body go with the flow, you know, you can do it  
Look around everywhere you turn is heartache  
It's everywhere that you go  
You try everything you can to escape  
The pain of life that you know  
When all else fails and you long to be  
Something better than you are today  
I know a place where you can get away  
It's called a dance floor, and here's what it's for, so  
Come on, vogue  
Let your body move to the music, hey, hey, hey  
Come on, vogue  
Let your body go with the flow, you know you can do it  
All you need is your own imagination  
So use it that's what it's for  
Go inside, for your finest inspiration  
Your dreams will open the door  
It makes no difference if you're black or white  
If you're a boy or a girl  
If the music's pumping, it will give you new life  
You're a superstar, yes, that's what you are, you know it  
Come on, vogue  
Let your body groove to the music, hey, hey, hey  
Come on, vogue  
Let your body go with the flow, you know you can do it  
Come on, vogue  
Let your body go with the flow, you know you can do it  
Beauty's where you find it  
Not just where you bump and grind it  
Soul is in the musical  
That's where I feel so beautiful  
Magical, life's a ball

So get up on the dance floor  
Come on, vogue  
Let your body groove to the music, hey, hey, hey  
Come on, vogue  
Let your body go with the flow, you know you can do it  
Vogue, vogue  
Vogue, vogue  
A pose  
A pose  
Vogue, vogue  
Vogue, vogue  
Beauty's where you find it  
Move to the music  
Vogue, vogue  
Beauty's where you find it  
Go with the flow  
Greta Garbo and Monroe  
Deitrich and DiMaggio  
Marlon Brando, Jimmy Dean  
On the cover of a magazine  
Grace Kelly, Harlow, Jean  
Picture of a beauty queen  
Gene Kelly, Fred Astaire  
Ginger Rogers, dance on air  
They had style, they had grace  
Rita Hayworth gave good face  
Lauren, Katherine, Lana too  
Bette Davis, we love you  
Ladies with an attitude  
Fellows that were in the mood  
Don't just stand there, let's get to it  
Strike a pose, there's nothing to it  
Vogue, vogue  
Vogue, vogue  
Let your body move to the music  
Ooh, you've got to just  
Let your body go with the flow  
Ooh, you've got to  
Let your body move to the music  
Ooh, you've got to just  
Let your body go with the flow  
Ooh, you've got to  
Let your body move to the music  
Ooh, you've got to just  
Let your body go with the flow

Ooh, you've got to just  
Let your body move to the music  
Ooh, you've got to just  
Let your body go with the flow
