

Fat Man

Nazareth

Fat man at the window
Bet you know why
Fat man at the window
Nobody wants to buy
Fat man, fat man, fat man
Nobody wants to know him
Fat manFat man at the mirror
Don't let it break easy
Fat man at the mirror
Got no one to please
Fat man, fat man, fat man
Nobody wants to know him
Fat manNobody wants to talk to him
Walk with him, be seen with him
Nobody wants to speak to him
Be with him, look like himFat man at the window
Bet you know why
Fat man at the window
Nobody wants to buy
Fat man, fat man, fat man
Nobody wants to know him
Fat manNobody wants to talk to him
Walk with him, be seen with him
Nobody wants to speak to him
Be with him, look like him
