

Feel It All â€“ Band Jam - Radio Edit

KT Tunstall

I'm growing like a seed,
Rains been falling on me,
I've been covered in cold,
I've been shrouded in doubt.
My heart is on the wire,
Sitting pretty like a bird,
But the hunter is out,
And the eagle has heard the word. But I can feel it all,
Yes I can feel it all. I'm looking to the sky
And I'll be listening to the stars
And maybe thinking of you
And wondering where you are
Do you know what you've done for me
You made my branches grow
Now they can play with the wind
And they can carry the snow. But I can feel it all,
Yes I can feel it all.
But I can feel it all,
Yes I can feel it all. So take what you want,
Leave what you don't need,
I'll be looking for you,
You keep an eye out for me,
Cos our heart is on the wire,
Sitting pretty like a bird,
But the hunter is hunted,
And the eagle is ours. But I can feel it all,
Yes I can feel it all.
But I can feel it all,
Yes I can feel it all
