Ketty

Satanic Surfers

I drank my head to pieces, that day had been a bore first time in her apartment, I passed out on the floor next time in her apartment, had a fucking hole in my head I started on the floor but we ended up in bed I'm just a teenage punk first time in her apartment, I passed out on the floor funny how things they change, now I have a key to her door I'm just a teenage punk I'm just a teenagepunk and I love this girl I'm just a teenage punk I'm just a teenage punk and I love this world when I'm with that.....girl!
